**Reconciliation Ministries International**

*Go ye into all the world and preach the gospel to every creature. Mark 16 :15*

**Our vision** the world  
**passion** souls – to reach every appointed person. To see them saved, healed and delivered.  
**mission** “Equipping the saints and training them in the supernatural.”

Dear friends

What an exciting time we live in with the tremendous opportunity to serve and reach our generation with the transforming and empowering gospel of Jesus Christ. Evangelism is depopulating hell in order to populate heaven. George Washington Carver said: “No individual has the right to come into this world and leave it without changing it.” R. G. Smith said: “No individual has the right to hear the gospel twice when millions have not heard it once.”

We thank God for you, all our partners and intercessors; together we are a part of the great commission. As you go through our world news report we pray that your faith may be encouraged. Keep reaching forward in Him. Many blessings, Dr. Guy & Ilke Peh.

Our mandate to reach this generation has taken us to over 52 nations.

**The HARVEST is plentiful but the workers are few.**

*Ask the Lord of the harvest, therefore, to send out workers into His harvest field.*

Do you have a prayer request?

Do you love to pray and intercede?

Go to [www.guypeh.com](http://www.guypeh.com) to submit your prayer request or join the world prayer team of Reconciliation Ministries International.

Amazing things can happen when people come into agreement. It's a principle from God's Word and the Prayer Shield Network is dedicated to praying with people who desire to see the Holy Spirit's miracle working power unleashed. We couldn't have done what the Lord has done through us in the nations of the world without the prayer support of the body of Christ.

## WEEKLY DEVOTION

Read Dr. Guy Peh's inspiring and uplifting weekly devotions at [www.guypeh.com](http://www.guypeh.com)

Devotion on prayer:

Prayer is the place where burdens change shoulders. To talk to God, no breath is lost, talk on! To walk with God, no strength is lost, walk on! To wait on God, no time is lost, wait on! You can go for 3 days without water, but you can't go for 3 minutes without air. Prayer is the breath of the soul, without it you will turn blue.

Prayer is like a computer, you can only get out of it, what you put into it. John Wesley said: "God does nothing except by answer to prayer." We lie to God in prayer if we don't rely on God after prayer. Preaching moves men, prayer moves God.

## New Book by Dr. Guy Peh

**T**here was never a day of miracles, only a God of miracles.

A man with a genuine experience with God is never at the mercy of a man with an argument against God. Without faith in the miraculous, people subscribe to a mentality of pessimism and defeat.

You will always know what God will do tomorrow because of what He has already done.

God wants you to enjoy miracle living. His plan for you is to dominate sickness, evil spirits and destruction just as Jesus did. What Jesus started you can continue.

In this book Dr. Guy Peh gives you practical keys that will unlock your understanding about the miracle realm and how to receive your miracle.

Excerpt from Dr. Guy's book  
**Key To Receiving Your Miracles.**

# Don't put God in a box

Let's not put  
God in a box.  
They tried that one  
time at Calvary, but  
it only lasted for  
three days!

One of the three people that Jesus raised from the dead was His friend, Lazarus. As we turn our attention to this miracle story, it's quite obvious that his two sisters, Martha and Mary, did not appreciate His timeline. They questioned His tardiness and made some subtle suggestions that He really messed things up! However, have you noticed that God rarely does things according to your plan?

*Let's not put God in a box. They tried that one time at Calvary, but it only lasted for three days!*

Sometimes God will heal you instantly, while other times... healing might be gradual. Sometimes God heals during a miracle crusade, but other times... you might be by yourself applying the Word to your dilemma. Let God be God! Take those miracles any way they come. One of the things that people struggle with when they need a miracle is that they have a preconceived idea of how God is going to move in their situation. The story of the exodus reveals to us that God has more options than we have yet to think about.

### **How Big is Your God?**

What would have happened had Moses tried to figure out what was needed to accomplish God's command? One of the biggest arithmetical miracles in the world was required in the desert. Moses led the people of Israel into the desert. Now what was he going to do with them? They had to be fed, and feeding 3-1/2 million people required a lot of food. According to the U.S. Army's Quartermaster

General, Moses needed 1500 tons of food a day - filling two freight trains, each a mile long.

Besides, you must remember they were cooking the food. Just for cooking, this took 4000 tons of firewood (a few more freight trains - each a mile long), and this is only for cooking for one day - not to mention for keeping warm. If anyone tells you it doesn't get cold in the desert... don't believe them! Let's not forget about water, shall we? If they only had enough to drink and wash a few dishes (no bathing?!), it took 11,000,000 gallons EACH DAY - enough to fill a train of tanker cars 1800 miles long.

The people of Israel were forty YEARS in transit!!

Think about this: every time they camped at the end of the day, a campground the size of Rhode Island was required... or 750 square miles.

And another thing! They had to get across the red sea in one night. Now if they went on a narrow path, double file, the line would be 800 miles long and require 35 days and nights to complete the crossing. To get it over in one night there had to be a space in the Red Sea 3 miles wide so that they could walk 5,000 abreast. Do you think that Moses sat down and figured out the logistics of what God told him to do before he set out from Egypt? I doubt it. He had faith that God would take care of everything. Let us have courage. We share the very same God.

# WOMAN, YOU ARE PRECIOUS

*Millions of woman all around the world share the same pains, fears and doubts. Their spirit is scarred and wounded. Ilke brings a message of healing and freedom in Jesus through her ministry 'Woman you are precious'. So many women have realized through Ilke's ministry that God knows every detail of their lives from their painful past to their limitless potential. Ilke is speaking at 'Woman you are precious' conferences around the world. Many have testified of being healed and set free by this ministry.*

## You are precious to God

Probably the most amazing reality there is, is that God, who is so almighty, eternal, and indescribably majestic, looks down and focuses all His attention on you and me.

### Why does God do that?

Because He created you in His image. You are His most precious creation. That's why God is full of attention for you.

You really are of extreme value to Him.

He alone can see what's in your heart.

He knows the depth of your emotions.

He doesn't look at the outward. He looks deeper. He looks at... you!

**God's desire is to see you grow and flourish in His love and appreciation of you.**

Then you will become strong and healthy.

Then you will know His joy in a lasting way.

Then you will become the man or woman God has made you to be.

**Know His love, and surrender to Him.**

## Miracle moments: Hearing Restored

August 2008 ■

Dr Guy & Ilke, Greetings in the name of our Lord and Savior Jesus Christ. When Pastor told Steve and I about the Campmeetings in Las Vegas to be held in August 2008, they said that it would be a life changing experience. Well, to say the least, IT HAS! I have been hard of hearing for about 10 years. For the past 5 years I have worn hearing aids in both ears, my right ear being the worst. Hearing aids helped some but I still had a hard time understanding people when they talked with me. I got very good at reading lips. In July of 2008, Steve & I went to California to see if I could qualify to be a participant in a clinical study for implantable hearing aids. I went through numerous hearing testing, CAT scans, ultrasounds and advanced hearing tests. It was determined that I was a great candidate for this procedure.

Needless to say, I was very excited at the thought that I would get my hearing back in one ear (they would only implant the device in one ear, not both). We stayed over an extra night in California so that I could meet with the surgeon who would be doing the surgery and also to schedule the surgery. We met with the Dr. on Thursday. He explained all the risks that might be involved trying to talk me out of this. He said that there was a possibility that I would lose what little hearing that I did have completely. I was determined. He explained that he needed to try to discourage me to see how determined I was. He realized that I was willing to go the whole mile. We went to schedule the surgery and the Dr. told the scheduler that the surgery would be on my left ear. That was the ear I could hear a little better out of. It seems that there was not enough space behind the ear under the skin on the right side to implant the device. They would have to place it behind the left ear. Too make a long story short, I turned out not to be a candidate because the frequency of the device was in the same frequency range that I could hear better at, which would cause me

to hear the device operating, not the sounds of everyday life. I would only hear the "whistling" of the device, like when someone gives you a hug and gets too close to a hearing aid, it whistles. So it wouldn't help me at all in that ear. I left California very discouraged and disappointed, but knowing that our God can do all things. So I just left it at that. I would wait until the time came that He would give me my healing.

When we went to the Word Of Life Campmeetings in Las Vegas in August 2008, I went with an expectation. I can't explain it. There was just a burning in my insides that I knew without a shadow of doubt that I was going to get my healing. I could hardly contain myself. I was anticipating each service, just waiting for the "appointed time". That time came Monday evening. The Power of the Holy Spirit was so alive and powerful in the service. The excitement inside me began to bubble up. As soon as Dr. Guy said that there was healing in the house, and that there was someone that had a hearing problem. Dr Guy was calling out other sicknesses and diseases, but I didn't even hear them. I was so excited; I was going to get my hearing back that night. The Power fell hard. Dr. Guy didn't even lay hands on me, he just prayed over us and then

he let the Holy Spirit do the rest. I fell under the Power and the next thing I knew, I was hearing clearly. It was as if a loud speaker was turned on full blast inside of my head. Praise God! I know that I received my healing, because I came with an expectation of greater things. He said it, I believe it, and that settles it.

The other day in church, we were in the far corner in the back of the church, as Steve was ushering. In the past, all I could hear was mumbling. I knew what Pastor Mary was singing as the words were on the screen, but I couldn't hear clearly the words that she was speaking. If she gave a Word of Knowledge to someone, it was just muffled to me, I couldn't understand it. Well, that very next Sunday, I was able to hear every word that she sang or spoke clearly. WHOO HOO

I can't tell you enough how much my life has changed, being able to hear again. I used to give some "off the wall" answers to questions people asked, because I could not hear them. Now I am more confident in facing people. Steve & I manage a Storage facility and we deal with people every day. Now I am confident that I will have the correct answer when they ask me a question. All the glory to God. Connie

## Healed of HIV

In March I was diagnosed with HIV/AIDS and had told no one, especially my family, about my diagnosis. I met Guy briefly but we really never got the chance to talk, plus I had no idea what a powerful man of God he is. We exchanged phone numbers but I thought that I would never see or hear from him again.

About one month after my diagnosis I fell to the floor and prayed to God asking why me and what did God want me to do with my life after this devastating blow that I had been holding onto with nowhere to turn. It was about 11:00 pm and I felt an overwhelming need to call this man that I barely new and that I had to confess everything that I had been hiding. Guy answered his phone and knew exactly who I was and let me cry and confess all of my sins and for the first time I told someone about my illness. He prayed with me and gave me lists upon lists of scriptures to read so that I could come closer to God and learn the bible and what all of the scriptures meant. We spoke often and he always had more scriptures for me to read and learn and we prayed together. This September I finally reached the point of understanding the Lord and the Miracles that he can bestow upon people and how the Lord uses Men of God such as Guy and asked him

to pray with me for my own miracle. Guy and I spoke on the phone and prayed together and I let him speak the Lords Miracles into my life. I have recently been tested again for HIV/AIDS and my test came back NEGATIVE! I owe my life to the Lord and thank him constantly throughout everyday for this miracle and the fact that he has brought Guy into my life! I now know how I should live my life according to God and everyday it's a struggle but it gets easier and easier now that I am LIVING PROOF OF GODS MIRACLES!

I am a singer and always wanted to be a famous Pop/R&B singer and now I know that I want to find a church and use my voice to praise God and find a fellowship that is a home and I would love to use my talent in this way. I praise the Lord everyday and thank him for showing me who my true friends are and sadly enough, there aren't that many in my life. But no matter what I know that the Lord brought Guy to me for I was a lost soul but now I'm found and I try to live everyday to the fullest expectations of what the Lord wants me to do. This is my story and I pray that it can help someone else to realize we don't have to live in fear of the world's problems as long as we know our Lord and Savior. Praise Jesus! Isabella

**PARTNERSHIP**  
TOGETHER, we can do far  
more than we can do alone

*We are believing for a 1000 Partners.  
Are you one of them?*

RECONCILIATION MINISTRIES INTERNATIONAL

## THE POWER OF PARTNERSHIP

### **Purpose of Partnership:**

A partnership is formed when 2 people join their faith, prayer and finances together to accomplish what one person can't do alone. The believers at Philippi understood the power of partnership. Paul said "because you gave, and gave again, I have all and abound...my God shall supply all your needs according to his riches in glory by Christ Jesus." Paul was not talking to just any believer, but to his partners in the work of the ministry!

As Ilke and I travel around the world bringing the Word of God, you are there with us. Together we can reach the world with the love of Jesus with a message of power, signs and wonders through church services, leadership conferences, mission trips, miracle crusades, training seminars and social outreaches.

### **Benefits of Partnership:**

- **Monthly e-letter** – Every month we will send you a report of what the Lord is doing through our ministry in different nations of the world. You will be able to see the fruits of your partnership at work.
- **Prayer for you and your family** – Paul said to the Philippian church, "I thank my God upon every remembrance of you.

Always in every prayer of mine for you all making request with joy." Paul prayed for his partners. Ilke and I and our intercessors around the world are committed to pray regularly for our partners to always be triumphant in every area of life. 2 Corinthians 2 : 14 You can send us your prayer requests online any time.

■ **25 % discount** on all our books, CD's and DVD's when you visit our product table or call in your product order.

### **Ways to Partner:**

■ **By credit card** – online at [www.guypeh.com](http://www.guypeh.com), for your convenience we can automatically debit your credit or check card each month.

■ **By check** – make your check payable to RMI (Reconciliation Ministries International) and mail it to RMI, P.O. BOX 763174, Dallas TX 75376

■ **Monthly partner** – For your offering of \$ 25 or more each month, you will receive all the benefits of partnership.

■ **One-time gifts** of any amount to share in the outreaches of Reconciliation Ministries International: miracle crusades,

leadership conferences, mission trips, Bridge of Hope,...

■ **Bridge of Hope** – With your financial contribution, Bridge of Hope, an outreach of Reconciliation Ministries International, is dedicated to build a bridge that will give an opportunity to disadvantaged people around the world to have a better life by providing food, support for orphanages, assistance in disasters, to dig water wells (1 water well costs \$ 1 700, it gives clean water to a village of 800 people), to help pastors and ministers in need (sponsor a tribal pastor for \$ 100 a month, \$ 1200 a year). As missionaries to the nations, we need to have more than just the language of words. We also need the language of actions. Pure and undefiled religion before God and the Father is this: to visit orphans and widows in their trouble. James 1 : 27

We ask no matter what you are able to commit to financially; you commit to pray for us as we pray for you! We would love to have you send in your prayer requests as well as your pictures.
